

The **Elmshorner MTV** is one of the largest sports clubs in Schleswig-Holstein, with over 5,700 members. With our diverse range of offerings, we provide people of all ages in Elmshorn and the surrounding area with a place to call their athletic home. The tennis department uses 5 outdoor courts with its own clubhouse during the summer and moves to the indoor tennis hall with 4 courts during the winter. Additionally, a **Padel Court will be built in the hall by summer 2025**, expanding our sports offerings.

To support the athletic development of our members, we are looking for you, ideally starting in the summer season, as a:

Tennis Coach

Recreational and Competitive Sports / Padel Coaching Experience Preferred (m/f/d)

The position offers flexible arrangements: part-time, full-time, or job sharing, as well as dual studies with a minimum of 20 working hours per week.

Your Responsibilities:

- Independently organize and conduct training sessions for youth, adult/senior, and competitive groups.
- Plan and oversee competitions and organize training camps.
- Lead the coaching team (5 members) in coordination with the management.
- Assign athletes to groups and communicate with parents.
- Develop and enhance concepts and strategies to attract and retain members and improve the performance of individual athletes or teams.
- Take on administrative tasks (e.g., competition registrations across groups).
- Potentially establish padel tennis as a new sport, utilizing our indoor padel court.

Your Profile:

- Qualified coaching certification and experience.
- Willingness to collaborate with the department management, part-time coaches, and other volunteers within the tennis community.
- Strong organizational skills with a structured and independent work approach.
- Pedagogical skills, teamwork, and resilience.
- Flexibility to work afternoons, evenings, and occasionally on weekends.
- Enthusiasm for shaping and implementing the EMTV's tennis and padel sports concept.

What We Offer:

- Competitive compensation and fair working conditions.
- A welcoming, cross-disciplinary, and cooperative team within the EMTV.
- Professional development opportunities and collaboration with over 50 full-time colleagues.
- Spacious and high-quality facilities managed by the club itself.
